AUGUST 2011

Dear Friend,

This month takes us through the early days of the nation of Israel once they have started to settle in the Promised Land, and as they are led by the judges that God raises up to direct them in His ways.

We also conclude our journey through the life of the early church and the latter days of Paul's missionary journeys, before returning to his letters.

August is often a month when the life of church fellowships slows down, and even stops in some regards. This is not a bad thing, for we all need to spend time resting and regaining our energy for the work ahead of us.

However, even though we rest and take time out of our usual busy schedules, we should not seek to take time out from God. A time of less everyday busyness might be the time for more engagement with God and a seeking of His will for your life.

May you be able to spend time with God this month, whether it follows a regular pattern of life, or is a time of blessed relaxation for you.

In His name
Martyn
