## FEBRUARY 2016

Dear Friend,

We enter the season of Lent soon. It comes upon us early this year, and despite the warmth of the winter so far and the emergence of some flowers, we are still awaiting the full glory of the spring.

Waiting for spring is an apt image for us all as we journey through Lent, for spring has been associated with Easter Day and the resurrection for a long time. And so as we wait for flowers and blossom to break forth all around us, we also wait for the celebration of the Day of Jesus' Resurrection. Yet at the same time, we must remember that our Lord is already risen and that He has already won the victory!

This month we finish our reading of the book of Daniel, and thus also finish our reading through all the books of the prophets as well. We then move on to read those books that are traditionally attributed to King Solomon - Song of Songs (or Song of Solomon), Proverbs, and then Ecclesiastes. Meanwhile, in the New Testament we carry on with our reading of the Acts of the Apostles, and so continue to learn about the life of the early church and spread of the gospel.

May you know God's blessing day by day, and may you gain wisdom and strength from His Word.

In His name, Martyn
