Jeremiah 10:10

JULY 2012

Dear Friend,

This month we begin our second reading of the New Testament having had a few weeks away from it and being immersed in the Psalms.

This time our reading of the New Testament will start with the gospels, but rather than simply reading them as they are laid out, we will attempt to take passages from each of them so as to give us a feeling of taking a chronological journey through them.

It is worth noting that this attempt at creating a chronological reading of the texts of the gospels may not be entirely accurate. It is not easy to know where to place each and every incident - especially as the different gospels have different timings for events. However, I will do my best to enable us to read through the gospels as smoothly as possible.

At the same time, our Old Testament readings continue with the prophecies of Jeremiah.

May God continue to bless you as you read the Bible.

In His name
Martyn
