Psalm 23:6

MAY 2012

Dear Friend,

This month we reach a point where we finish a cycle as we complete our first read through of the books of the New Testament. Other than some passages in the gospels of Matthew and Luke, we have read the whole of the New Testament.

Meanwhile, our Old Testament readings carry on with the history of Israel and Judah as we continue to read through the books of the Kings and then begin to read some of the prophets as well.

We shall, in due course begin to read through the New Testament again. For it is, of course, important to continue to read God's word as it can regularly reveal things to us that we had not seen before. As the hymn says, The Lord has yet more light and truth to break forth from his word.

However, before we begin again, we shall take a brief pause and read through some of the Psalms instead.

May God continue to bless you as you read the Bible.

In His name
Martyn
