MAY 2013

Dear Friend,

In this month we complete our second reading of the whole of those New Testament books that are known as Paul's Epistles.

At the same time our Old Testament readings bring us to the end of the book of Isaiah, and we shall then read through some of the Psalms that we have not previously read.

Although we have read through the New Testament once completely and are in the midst of doing so again, we still have a number of books, and parts of books, to begin to read in the Old Testament, and we shall seek to do in the coming months.

My God continue to bless you as you read His Word, and may you also know His blessing as you seek to live for Him day by day.

In His name
Martyn
