## NOVEMBER 2013

Dear Friend,

In this month's readings we continue through to the end of the book of Exodus. After that we begin to read the book of Leviticus. This will be our first read through of that book as we omitted it on our first reading of the Old Testament.

Meanwhile our second readings take a break from the New Testament as we, once again, spend some time with the Psalms, and continuing with some of those Psalms that we are yet to read.

Next month, on 1st December, we enter the season of Advent. Thus our second readings will attempt to connect with the season and hopefully enlighten us with more of God's plan for His creation.

May God bless you through the coming month.

In His name  
Martyn
