Psalm 46:1-2

NOVEMBER 2014

Dear Friend,

As we enter the season of Advent at the very end of November, we are beginning to come to the end of the fourth year of these reading guides. It has been something of a surprise to me just how much people have appreciated having them, and I am always pleased to hear that they are still being used.

At times over the four years I have considered ending the production of these leaflets, but it seems clear that they would actually be missed by a good number of people. So, do rest assured that I shall continue to keep providing the notes for you.

This month, in the Old Testament, we end our reading of the books of Chronicles, read through the book of Ezra, and begin to read the book of Nehemiah. While in the New Testament we continue to read through the gospel of John.

May you continue to enjoy reading God's Word day by day, and may you know His blessing as you do so.

In His name,
Martyn
