SEPTEMBER 2013

Dear Friend,

Our Old Testament readings this month continue with our re-reading of *Genesis* and the early times of God's people. At the same time, having finished our second read through of the New Testament, we need another way of approaching the text for a while in order to try and allow new things to be made known to us.

For this reason, this month our readings from the New Testament take us through all of the miracles of Jesus that are recorded by the gospel writers. They are not organised in any specific order other than by going through each gospel in turn.

Because we are taking each of the miracles on their own, they may appear somewhat disjointed and out of context, but at the same time, it is hoped that the whole month of readings will give some insight into the miracles that were recorded.

May God continue to bless you as you read His word.

In His name
Martyn
